17.14.060 Hardship Variance

A. Purpose

The purpose of the hardship variance process is to provide a narrowly circumscribed means by which relief may be granted from unforeseen applications of this Ordinance that create practical difficulties or particular hardships.

B. Initiation

A property owner in the City, or person expressly authorized in writing by the property owner, may file an application for a hardship variance. A property owner, or his/her designee, may only propose a hardship variance for property under his/her control.

C. Authority

- 1. The Zoning Board of Adjustment will take formal action on hardship variance applications. However, the Zoning Administrator is authorized to grant certain administrative exceptions, as described in Section 17.14.070.
- 2. Hardship variances to allow uses that are not allowed within a zoning district are prohibited.

D. Procedure

All applications must be filed with the Zoning Administrator. Once it is determined that the application is complete, the Zoning Administrator will schedule the application for consideration by the Zoning Board of Adjustment.

- 1. After receipt of a complete application, the Zoning Board of Adjustment will consider the proposed hardship variance at a public hearing. If, in the Zoning Board of Adjustment's judgment, the application does not contain sufficient information to enable proper review and consideration, the Zoning Board of Adjustment may request additional information from the applicant and the public hearing may be continued.
- 2. The Zoning Board of Adjustment must evaluate the application based upon the evidence presented at the public hearing, pursuant to the approval standards of this section.
- 3. The Zoning Board of Adjustment must approve, approve with conditions, or deny the hardship variance within 30 days of the close of the public hearing, unless an extension is agreed to by the applicant.
- 4. The Zoning Board of Adjustment may impose conditions and restrictions upon the hardship variance as deemed necessary for the protection of the public health, safety, and welfare. The Zoning Board of Adjustment may grant a hardship variance that is less than that requested when it has been decided that the applicant is entitled to some relief of the hardship, but not to the entire relief requested in the hardship variance application.

E. Approval Standards

The Zoning Board of Adjustment decision must make findings to support each of the following:

- 1. The strict application of the terms of this Ordinance will result in hardship unless the specific relief requested is granted.
- 2. The particular physical surroundings, shape, or topographical conditions of the specific property impose a particular hardship upon the owner, as distinguished from a mere inconvenience, if the strict letter of the regulations were to be carried out.
- 3. The plight of the owner is due to unique circumstances that do not apply to a majority of adjoining or nearby property, and is not a self-created hardship.
- The hardship variance, if granted, will not alter the essential character of the locality.

F. Expiration

An approved hardship variance will expire one year from the date of approval unless a building permit is obtained or construction has begun prior to the end of the one year period. The Zoning Board of Adjustment may grant an extension for a period of validity longer than one year as part of the original approval. An applicant may apply in writing for an extension of time at any time prior to the date of expiration.

The Applicant hereby acknowledges and agrees to the following procedure and requirements:

- (1) Application:
 - Prior to submission of the application for the hardship variance, the applicant shall correspond with Planning staff to discuss the request, potential alternatives and the hardship variance process.
 - The submission of the application does not constitute official acceptance by the City of Davenport. Planning staff will review the application for completeness and notify the applicant that the application has been accepted or additional information is required. Inaccurate or incomplete applications may result in delay of required public hearings.
- (2) Public Notice for the Zoning Board of Adjustment public hearing:
 - Planning staff will send a public hearing notice to surrounding property owners.
- (3) Zoning Board of Adjustment's consideration of the hardship variance:
 - Planning staff will perform a technical review of the request and present its findings and recommendation to the Zoning Board of Adjustment.
 - The Zoning Board of Adjustment will hold a public hearing and vote on the request.

The strict application of the terms of this Ordinance will result in hardship unless the specific relief requested is granted.

The particular physical surroundings, shape, or topographical conditions of the specific property impose a particular hardship upon the owner, as distinguished from a mere inconvenience, if the strict letter of the regulations were to be carried out.

The plight of the owner is due to unique circumstances that do not apply to a majority of adjoining or nearby property, and is not a self-created hardship.
