

HIGH QUALITY CARE AT A LOWER COST

Your employer has added Nomi Health to your benefit offering. Nomi Health provides you access to thousands of medical services, located nationwide. These services include lab work, imaging, physical therapy, surgery, and more— all at no cost!*

DOCTOR RECOMMENDS A SPECIFIC SERVICE

In order to be a candidate for the Nomi Health benefit, there must be valid medical records and a [referral order](#) suggesting the specific service is needed (imaging, physical therapy, surgery, etc.).

CHAT WITH A CARE GUIDE

As soon as you know what medical service is needed, call or email Nomi Health to speak to one of our [Care Guides](#). Your Care Guide will search for the nearest option for that specific service and determine if there are any out-of-pocket costs.*

SCHEDULE WITH NOMI HEALTH

Once locate a Nomi Health Physician/Facility for the service that is needed, someone from that facility will reach out to [schedule](#) your appointment. If pre-authorization is required, a Care Guide will step in to get your information where it needs to go.

RECEIVE A VOUCHER

Before your appointment, a Care Guide will provide you with a [voucher](#) to present to the receptionist on the day of your visit. This voucher will [replace](#) the need for your medical ID card.
